HONEYMOON IDEAS FOR THE TRIP OF A LIFETIME

Fantasy Islands

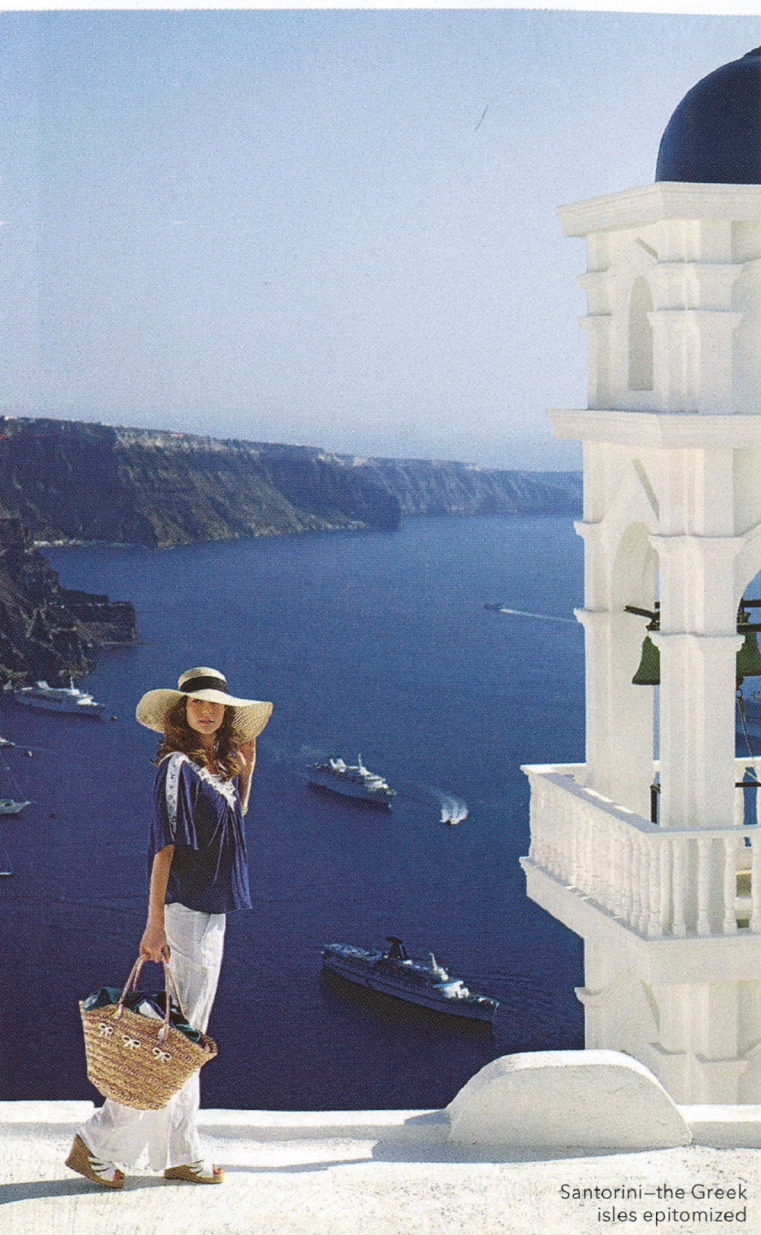

WE COMBED THE PLANET AND FOUND A **SEXY, OCEAN-BOUND DESTINATION FOR EVERY TYPE OF TRAVELER**. BON VOYAGE!

BY HEIDI MITCHELL

THE IT ESCAPE \ TADRAI, FIJI

There are just five thatched villas at this ultraluxe adults-only resort on a secluded corner of Fiji's Mana Island. And while each sleek bungalow is outfitted with everything a couple could want (infinity pool, outdoor shower, and, of course, iPad), the idea here is to get out. At your request, a picnic of just-caught seafood will be delivered to a hidden cove, a massage table unfolded right in the surf, or a catamaran summoned to sail you into aquamarine waters. Or, since this is your honeymoon, you can do nothing but sit on the deck and make plans for the future as you watch the sky melt into the sea. *All-inclusive doubles from \$1,680; tadrai.com.*

Santorini—the Greek isles epitomized

The pool at Folegandros's Anemi Hotel

GREECE

THE CLASSIC Santorini This volcanic paradise of white-washed buildings and black-sand beaches is the quintessential Greek isle. Three musts: a walk through the 3,000-year-old ruins of Akrotiri, grilled octopus at a seaside taverna (we love Dimitris Ammoudi), and a trip to Oia castle to watch the sun set into the Aegean Sea. Lay your head at a traditional cave-style

villa at Alexander's Hotel, on the edge of the caldera. *Doubles from \$220; alexandershotel.com.*

THE UP-AND-COMER Folegandros For a glimpse of what Santorini was like before the crowds, head to this under-the-radar island a two-hour ferry ride away. You'll get the same white cubes leaning toward the sea, but with fewer crowds and yachts to block your view of the turquoise waters. Bunk down at the Anemi Hotel, set right on the port; each room has a private veranda with seriously romantic views. *Doubles from \$290; anemihotels.com.*

EUROPE'S AMAZING ISLAND PAIRS

Why pick between a **honeymoon classic** and an **off-the-beaten-path gem** when you can do both? Just hop on a ferry to shuttle between these dazzling Mediterranean duos.

ITALY

THE CLASSIC Capri Those grottoes! Those ruins! Those chic Italians on Vespas! Capri is so fantastically fashionable, don't be surprised if you run into Rihanna while window-shopping at Gucci. Check in to the cliffside **Hotel Caesar Augustus** for knockout views of the Bay of Naples and Mount Vesuvius.

Doubles from \$753, including breakfast; caesar-augustus.com.

THE UP-AND-COMER Ischia This speck of hot-spring-dotted lava was once a literary haunt (Truman Capote, W.H. Auden) and is now a magnet for spa-loving Europeans looking to get their volcanic mud on. Another claim to fame: Parts of *The Talented Mr. Ripley* were filmed here. Take a dip in the thermal pools at the San Montano Resort & Spa, which also has the best beach on the isle. *Doubles from \$500; sanmontano.com.*
